- DEFINITIONS -**Debtor**

The person, corporation or other entity that has filed a bankruptcy case is called the debtor.

Creditor

A creditor is any person, corporation or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed.

Proof of Claim

A form identifying the amount a creditor believes was owed to it by the debtor at the time the bankruptcy case was filed (i.e., the amount of the creditor's claim).

Secured Claim

A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (i.e., collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property.

Examples of liens are mortgages on real estate and security interests in cars, trucks, boats, television sets or other items of property. A lien may have been obtained through a court proceeding before the bankruptcy case began; in some states a court judgment is a lien. In addition, to the extent a creditor also owes money to the debtor (i.e., has a right of setoff), the creditor's claim may be a secured claim (See also *Unsecured Claim*.)

Unsecured Claim

If a claim is not a secured claim, it is an unsecured claim. A claim may be partly secured and partly unsecured if the property on which a creditor has a lien does not have sufficient value to satisfy the creditor in full.

Unsecured Priority Claim

Certain types of unsecured claims are given priority under the Bankruptcy Code and are paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims). The most common types of priority claims are listed on the proof of claim form. Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*.

ITEMS TO BE COMPLETED IN PROOF OF CLAIM FORM (IF NOT ALREADY FILLED IN)**Name of Debtor and Case Number:**

Fill in the name of the Debtor against which you assert a claim, as well as the Case Number applicable to such Debtor. The Debtors' Names and Case Numbers are listed below:

Information about Creditor:

Complete the section giving the name, address, telephone number, fax number and tax identification number or social security number of the creditor to whom the debtor owes money or property, and the debtor's account number, if any. If anyone else has already filed a proof of claim relating to this debt, or if this proof of claim replaces or changes a proof of claim that was already filed, check the appropriate box on the form. **Please note that all future correspondence sent by Logan & Company, Inc. will be mailed to the pre-printed name and address as listed in box A on the reverse side, unless you indicate and change the address in box B also on the reverse side.**

1. Basis for Claim:

Check the type of debt for which the proof of claim is being filed. If the type of debt is not listed, check "Other" and briefly describe the type of debt. If you were an employee of the debtor, fill in your social security number and the dates of work for which you were not paid.

2. Date Debt Incurred:

Fill in the date when the debt first was owed by the debtor.

3. Court Judgments:

If you have a court judgment for this debt, state the date the court entered the judgment.

4. Total Amount of Claim at Time Case Filed:

Fill in the amount of the entire claim. If interest or other charges in addition to the principal amount of the claim are included, check the appropriate place on the form and attach an itemization of the interest and charges.

5. Secured Claim

Check the appropriate place if the claim is a secured claim. You must state the type and value of property that is collateral for the claim, attach copies of the documentation of your lien, and state the amount past due on the claim as of the date the bankruptcy case was filed. A claim may be partly secured and partly unsecured. (See DEFINITIONS, above).

6. Unsecured Priority Claim

Check the appropriate place if you have an unsecured priority claim and state the amount entitled to priority. (See DEFINITIONS, above). A claim may be partly a priority claim and partly a nonpriority claim if, for example, the claim is in an amount exceeding the amount given priority by the law. Check the appropriate place to specify the type of priority claim.

7. Credits:

By signing this proof of claim, you are stating under oath that, in calculating the amount of your claim, you have given the debtor credit for all payments received from the debtor.

8. Supporting Documents:

You must attach to this proof of claim form copies of documents that show the debtor owes the debt claimed or that any asserted security interests have been perfected. If these documents are too lengthy, a summary of such documents may be provided. If documents are not available, you must attach a statement explaining why they are not available.
